

TIMELY AND EFFECTIVE REPAIRS FOR SILVER X

CLIENT OVERVIEW

Founded in 2013, The Silver X Group is your go-to logistics partner, offering a full range of services from haulage to re-work. Our focus is on delivering cost-effective, sustainable, and time-efficient solutions. Backed by award-winning customer support and an innovative approach, we've grown to serve the entire UK, with over 130,000 square feet of warehouse space and a dynamic fleet.

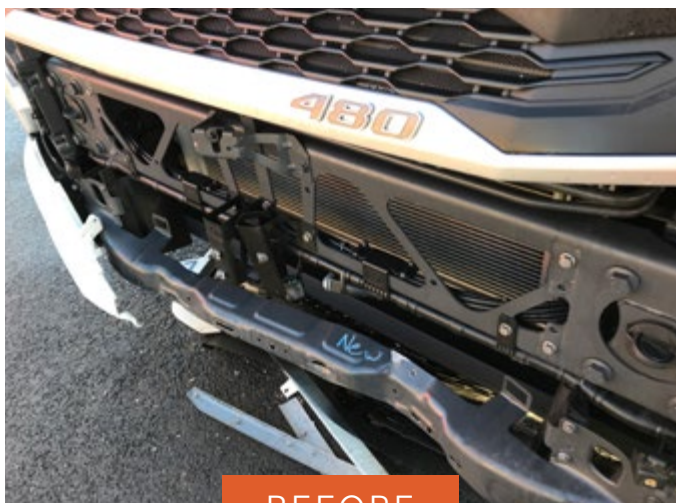

EXPERT REPAIRS, SWIFT RESPONSE

THE CHALLENGE

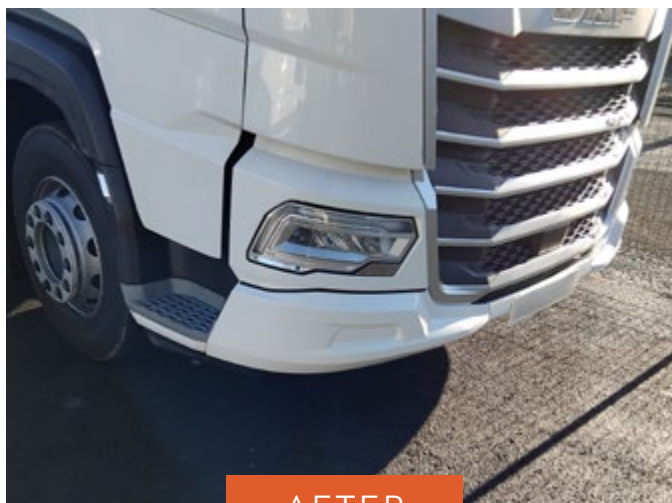

Silver X, a trusted logistics provider, encountered a significant challenge when one of their haulage trucks sustained substantial damage during its operations. The severity of the damage, captured in our photos required immediate attention. With the truck out of action, Silver X needed a quick, reliable repair to minimise downtime and keep their logistics operations running smoothly.

THE SOLUTION

As a trusted service provider for Silver X, we responded swiftly to the repair request. The damaged truck was brought to our bespoke, purpose-built repair unit in Mansfield. Our experienced team of repair engineers got to work immediately, carefully inspecting the truck to assess the full extent of the damage. The images we provided show the extent of the damage after the truck was stripped down for a detailed inspection.

BEFORE

AFTER

IMPLEMENTATION

Using our expertise in both mobile and Bodyshop repair services, we developed a comprehensive repair plan. Our skilled technicians efficiently performed the necessary repairs and reworks, ensuring the truck was restored to its optimal condition. The after photos highlight the precision and care we put into the repairs, which were completed in just a couple of days.

THE CONCLUSION

Once the repairs were complete, the truck was delivered back to Silver X's location in Alfreton. The quick turnaround time helped minimise disruption to their operations, allowing them to continue their logistics work without prolonged downtime. The truck was restored to full functionality, supporting Silver X's ongoing commitment to efficiency and reliability in its fleet.

Through our partnership with Silver X, we provided timely, effective, and high-quality repair services that helped keep their logistics operations on track. The successful repair of the haulage truck is a testament to our ability to deliver dependable solutions that align with Silver X's commitment to cost-effective and sustainable logistics. We're proud to continue supporting Silver X in maintaining the efficiency of their fleet.

THE CONCLUSION

Budget Mobile Bodyshop's ability to provide timely, on-site bodywork repairs aligned perfectly with Motus Commercial's operational needs. This case study exemplifies how proactive planning and responsive service can deliver significant value to clients needing efficient vehicle maintenance solutions

By choosing Budget Mobile Bodyshop, Motus Commercial resolved their immediate repair needs effectively and benefited from a streamlined process that prioritised convenience and operational continuity.

“ Budget Mobile Bodyshop has consistently delivered reliable and efficient repair solutions for our fleet. Their expertise and quick response have been instrumental in minimising downtime and keeping our operations running smoothly! ”

Jonathan Asher, Compliance Manager, Silver X
